Reliable Support & Competitive Margins

At Paradise POS we are committed to helping our channel partners drive revenue growth and profitability through their partnership with our organization. Whether you have been offering point of sale for years or are new to the game, we offer a variety of value-added benefits including:

Presales & Installation Support

Ensure a positive customer experience by leveraging our presales, installation, and training programs.

Attractive Margins

Our channel partners earn great margins, which increase with higher tiers of sales performance.

World-Class Customer Support

One of our trained support specialists is ready to help 24 hours a day, 7 days a week.

Non-Compete

We protect our channel partners by not competing directly with them for end user business.

Compliant Cash Discount & Dual Pricing

Based on years of experience helping merchants control their payment processing costs, Paradise POS has developed a solution that supports compliant cash discounts and dual pricing.

Pricing Displays

We display Total and Cash Total on all visual points, including receipts, customer facing displays, and shelf tags.

Compatibility

Cash discount and dual pricing is compatible with our handheld Pay at the Table solution as well as our Online Ordering page.

Ease of Use

All items reflect cash discount and dual pricing changes automatically and partial cash and card payments are accepted.
